

Privacy statement AVM

AVM respects the privacy of customers, suppliers, partners, employees and visitors to our website and ensures that the personal information you pass on to us will be treated confidentially.

This privacy statement only applies to the personal information we process in relation to our products and services and our website.

We only process the personal data that you provide directly in the context of :

- Your question about or request for our products and services (e.g. via the contact form on our website, by telephone or by email).
- The preparation, execution or termination of an agreement regarding our products and services
- Information to keep you informed about our products and services
- Gaining insight into the use of our website

For the above purposes, we will process the following personal data about you:

Surname, first name, address, email address, telephone number

The retention period of your personal data will not be longer than necessary to achieve the purposes stated in this privacy statement.

We handle your personal data confidentially. We do not provide the personal data we have to third parties for direct marketing purposes.

Furthermore, we will not provide the information provided by you to other parties, unless :

- That you have given your prior consent here
- This is necessary in the context of the implementation of an agreement
- We are legally obliged to

If you have any questions or comments about your personal data, we are always at your disposal. Please contact us : 089/480.707.
